# The 40th Werrington Carnival

It's a very special celebration in Werrington this year it's our Ruby Anniversary, a promising milestone to reach especially in events. To all those people who are newly resident in Werrington and indeed, in Peterborough, we give you a special welcome. To those people to whom the Carnival needs no introduction, we welcome you once again.

As always, this annual event is a fun day out for all the family, young and old alike, whether it's the parade or the amusements on the field, have a good day and enjoy the entertainment. We all look forward to a bright and sunny day, which promises to be full of events for a good Carnival atmosphere and full of cheer. The Carnival parade of floats, bands and walking tableaux will proceed to the School playing field at Amberley Slope, where there will be stalls, refreshments, side shows and arena events. Look out for your chance to win a Helicopter Ride and a Golfing Experience, take part in the Carnival Raffle for some very special prizes... so be in it for a chance to win it.

As you can see by the details below, we need your support to keep the events like Carnival and the Firework Display flourishing in Werrington.

Where the money goes....

It is used to provide a headquarters and the upkeep for the Werrington Scout and Guide units to meet. Amenities and services to maintain the building have increased ten- fold since the opening of the building some 35 years ago and the surplus made from the Carnival pays for the heating, lighting and general upkeep of the building.

Some 670 people pass through our units weekly and we are always pleased to see some new faces whether they are joining the units or just offering help or wanting to become a leader, you can also opt to help us on one of our committees like Carnival. Whatever you want to do and wherever you help, you will add to the success of what we want to do.

Please make contact with any of the Carnival Crew for further information and we shall try our best to help.

Have a good day with us.

**From your Special 40<sup>th</sup> Carnival Committee**

# The 40th Werrington Carnival
